

Greetings to each of you as we continue our work for women, children and youth in 2019. I know we are in the summer season and many units aren't meeting again until September.

This summer we have Mission u scheduled for July 19-20 at St. Luke United Methodist Church, 1394 E. Nine Mile Road, Pensacola, FL. The Courtyard Marriott (850-857-7744) at 451 Creighton Road, Pensacola, FL, is the reserved hotel for our group. Three excellent studies will be offered: Women for Change: 150 Years in Mission, The Gospel of Mark and Radical Discipleship, and the Friday only study, What About Our Money. The registration deadline is July 8. Your registration fee includes your study books and three meals. Mission u is a great time for fellowship and education to transform us as better servants of God. I hope to see you there!

District officer elections are coming up for 2020. Offices that are available are Communications Coordinator, and two openings on Committee on Nominations. Prayerfully consider joining our leadership team, joining the ranks of those who came before us to assist the Pensacola District in fulfilling our purpose in mission with women, children, and youth. The District Communications Coordinator is in complete charge of the district's newsletter including coordinating the articles, publishing, printing and distributing. She needs to be versed and have access to some type of publishing software program like Microsoft Publisher and Adobe Acrobat. The district communications coordinator should also be able to send mass emails and maintain an address database for emails. Nominations committee members help the District Mission Team find new prospective members from

across the district. Contact Linda Wentworth or me for additional information.

Do you need help with questions from your local unit members? The District Officers are a resource for you. Call or email them with any questions. Please contact our District Secretary, Debbie Bush, for our District Directory for 2020. Remember that we do not share our contact information with anyone outside our District or Conference UMW.

The end of the year will be fast approaching when we gear up for the remainder of 2019 in September. The District Directory and the Workbook both list the due date for year-end reports. If you have questions or need help, please contact me.

ATTENTION ALL CIRCLES

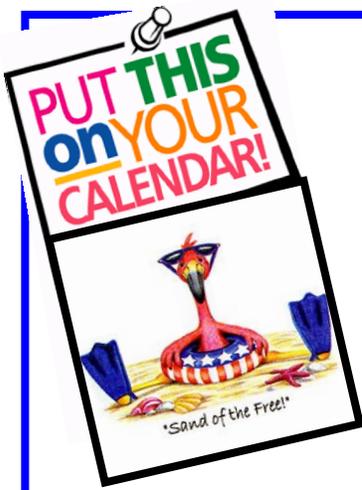

The Southeastern Jurisdiction Planning Team wants to have a Legacy Cookbook made up of recipes from each conference to celebrate our 150th anniversary. The Cookbook will be available to purchase at the Southeastern Jurisdiction Meeting in Mobile in April 2020.

Our conference has to submit 15 to 25 recipes so send me a favorite (or more) from ladies in your district (circles).

We have an executive board meeting July 12th & 13th so I would like to have them before that date.

Thanks for helping.

Summer is here in full force, hope everyone is staying cool. Thank you to all the treasurers who have sent in pledge and love offering funds. We are 1/3 of the way to our \$25,000 pledge. I know a lot of people are away during the next few months so I am hoping to have more pledge money when I send in our third quarter remittance in September. If you have any questions please call (850 529-5645) or email me (dickensjudi@yahoo.com), if I can't answer your questions I will find someone who can. Looking forward to seeing everyone at the August 10 Mission Study at Community Life UMC.

Don't Let someone else do the job God planned for you!!

That's Not My Job

This is a story about four people named Everybody, Somebody, Anybody and Nobody. There was an important job to be done and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have.

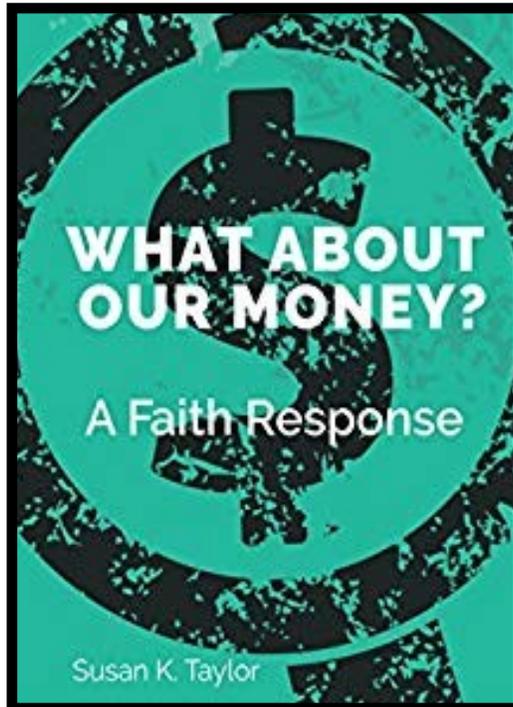

The common sense point here is simple. Real Christians take personal responsibility for their life and their walk. They don't procrastinate. They act. They use their time and talents that God gave them to further his works. Are you fulfilling your promise you made? As the story of Everybody, Somebody, Anybody and Nobody points out, you have to act. Do what you need to do to become the Christian you vowed to be...with your time, talent, and gifts.
